3. Use these phrases: ¿Tienes ... en inglés/ en español? Sí, lo tengo / No lo tengo / Vete a pescar / Lo siento / Te toca / ¿Me toca?
4. If you have to "go fish," draw a card from the fish pond.
5. If you ask someone and get a match, go again!

6. If you lose a round, take a square
7. Switch dealers each round
8. The least amount of squares at the end is the winner.

La Solterona (Old Maid)

2. Find matches
3. Draw a card from someone else's hand right after someone has taken a card from your hand. That way, everyone is looking for matches at approximately the same time.
4. Continue to put matches on the table until 1 card is left – la solterona!
