“Throw a 6”

- Working in pairs, (phone a buddy if you don't have someone in the house that knows the target language).
- Pick categories of vocabulary i.e. food, clothes, classroom objects, animals, sports, verbs, (rooms in a) house, countries that speak the target language....
- While you throw the die (trying to get a 6) your opponent brainstorms vocabulary in that category and writes it on paper.
- Reverse roles
- Whoever has the most words wins
