

I Can Write A Phrase *I can create a longer rhythm composition and perform it using body percussion.*

1. Each box represents one beat, with the boxes in one row representing 8 beats.
2. Draw a note and/or rest in each box. Please use the a notes/rests appropriate to your grade level found on the additional sheet.
3. Practice clapping your rhythm until you can perform it smoothly.
4. Change your claps to some other form of body percussion and perform for members of your family. Examples could be: patting your legs, snapping your fingers, clicking your tongue, etc.
5. Get others in your family to join in your performance by performing together or each person performs their own line using the body percussion of their choice.

Have Fun!
