

Bunny Origami

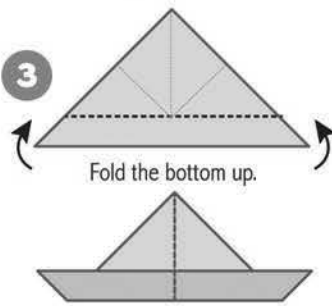

Color the bunny, then have an adult help cut along the solid, outside lines. Follow the steps below to fold.

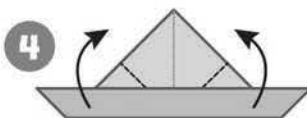

Start with the paper image side up.
Fold in half toward the back.

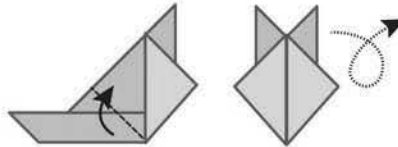

Gray indicates image side.
Position with face toward back.

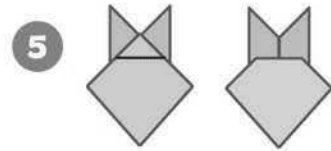

Fold the bottom up.

Fold both sides toward the middle.

Flip over.

Fold the top corner
to the back.

You can use a small piece of tape
to secure the back of the bunny.
