

Adjectives That Describe

Remember, **adjectives** are words that describe persons, places, or things. Experienced writers use adjectives to make their writing exciting.

A Read the story below. Underline the adjectives.

Today was the first day of vacation. Javier grabbed his new backpack, put on his brown hiking shoes, and headed out to explore the mountains. He saw huge elk, sparkling creeks, and shiny rocks. Javier heard noisy birds singing in the trees. At lunchtime, Javier sat down under a shady tree to enjoy his delicious lunch! After exploring for five long hours Javier decided to head back to the cabin. He couldn't wait to share his exciting adventure with his family and friends.
