Dubuque COMMUNITY SCHOOLS

THE PROGRAM

Reading instruction is delivered Monday through Friday mornings by certified district teachers.

An optional enrichment opportunity will be offered in the afternoons to keep kids involved in learning — all because we believe that students immersed in learning are positioned to be better readers.

THE SCHEDULE

 **8:10 a.m.–12:05 p.m.** Literacy instruction
(includes FREE breakfast and lunch)

 **12:05 p.m.** Pick-up for morning-only students

 **12:05–3 p.m.** Afternoon enrichment activities

 **3 p.m.** Summer Academy concludes

THE LOCATIONS

Students will attend one of three Summer Academy locations, based on the school they currently attend. All classrooms will be air conditioned!

 **Audubon Elementary School**
for students who attend Audubon, Eisenhower, Marshall, or Sageville Elementary School

 **Prescott Elementary School**
for students who attend Carver, Kennedy or Prescott Elementary School

 **Table Mound Elementary School**
for students who attend Bryant, Hoover, Irving, Lincoln or Table Mound Elementary School

THE SCHOOL BUS

FREE transportation on the district's yellow school buses will be available at express stops throughout the community.

 Find express stop route information online at www.dbqschools.org/summeracademy.

THE CONTACTS

Meet Misti Flogel. As the Administrative Assistant for Activities and Athletics, Misti ensures daily operations run smoothly. For Summer Academy, she works to support administrative needs and serves as a first point of contact for families and staff.

 mflogel@dbqschools.org  563/552-3107

Meet Joe Maloney. By day, Joe is the Director of Activities and Athletics. But as an administrator of the Summer Academy, he's also here to make sure your student's summer experience is fun, engaging and safe from start to finish. Joe works closely with the staff who administer the reading instructional program and enrichment programming.
