Pick Schedule

You will have the opportunity to discuss with a JA Education Manager your preference of how or where you would like to volunteer and coordinate your schedule. They will then provide you with a short training and easy-to-follow lesson plans and program materials. Your time commitment includes 5 or 6 classroom visits. Each visit runs approximately 45 minutes.

Impact Lives

Sharing your professional and personal experiences through the JA program you have selected helps students see how they can achieve their dreams!
