

Looking to enhance your Fortnite skills and aspire to be a pro? Our Fortnite classes are just the right fit, regardless of their experience levels. This six-week class is structured in a manner that helps players improve their gameplay skills. As a part of this class, you will play alongside other players in teams, develop your skills, and learn how to communicate effectively. Moreover, you will learn how to lead your team and build team-building skills. The class offers individualized instruction, VOD review, skill-focused creative training maps, 1v1 challenges, elimination races, and many other exciting activities to help you improve and grow as a Fortnite player.

Like all our classes, clinics, and leagues, we strive to ensure that our training opportunities are inclusive, supportive, and promote personal growth and development. Our players can learn while building valuable life skills that will serve them well beyond this class.
