Read the following statements carefully:

1. Senior Year Plus programming (281-IA Code Chapter 22) requires students apply through the community college and the school district for enrollment in a college credit course. PICC courses must be approved by the school board or its designee. A student shall not audit a PICC course; the student must take the course for college credit. Additional information on Senior Year Plus programming may be found on the department of education website: www.educateiowa.gov or from the NICC High School Partnerships Office. I have read this information and understand the above student is enrolling in postsecondary courses subject to student policies of Northeast Iowa Community College, available in the high school guidance office and in the High School Partnerships Student Handbook at: www.nicc.edu/hspartnerships.
2. **I understand I am responsible for any additional costs directly related to personal supplies and lab fees. Payment is due prior to taking additional classes.**
3. I hereby consent to the release of my educational records from Northeast Iowa Community College to my parents and/or legal guardians and to high school personnel at the high school I am attending.
4. Prerequisite testing may be required prior to being placed in a college class. (ACT, Accuplacer Reading, Writing, ALEKS Math).
5. Brightspace, the Learning Management System (LMS) Tutorial must be completed for any online or hybrid class.
