# MATHEMATICS AND DATA SCIENCE?

CHECK OUT

## UW-PLATTEVILLE'S MATH AND DATA SCIENCE SUMMER PROGRAM

### STEM POWER! WORKSHOP SERIES: STRENGTH IN NUMBERS

FOR THREE DAYS AND TWO NIGHTS, YOU WILL:

- Explore math that does not appear in high school classes
- Discover what problems professional mathematicians and data scientists solve
- Identify types of jobs available to mathematicians and data scientists
- Collaborate with others who have similar interests

*July 15-17*

Open to all high school students.

Partial scholarships may be available upon financial need and academic merit.

**Cost: \$315**
