

Camp Willow Day Camp

Earn your badges for math in nature!

Explore nature through math and discover the beauty of our environment with fun activities focused on shapes, design, and numbers. Experience hands-on learning by participating in interactive programming that makes math come alive through real-world applications.

- Use geometry and patterns to create art inspired by the natural world.
- Enjoy nature hikes and scavenger hunts that incorporate mathematical challenges and puzzles.
- Grow your understanding of science, technology, engineering, and math in the outdoors!

- Camp Little Cloud
