

# Community Story Quilt Project: Celebrating Stories That Bring Us Together

November is National Family Literacy Month, and we're celebrating the power of stories to bring families together!

Stop by the library to pick up a new book and create a design inspired by a book your family loves. It could be a bedtime favorite, a laugh-out-loud picture book, or a story that holds a special memory.

Each square will become part of a beautiful, collaborative story quilt that shows how reading connects us all.

All completed quilt squares should be returned to the Children's Help Desk by Friday, November 14.

The completed quilt will be proudly displayed behind the Children's Help Desk throughout the month of November. Help us weave a community story, one square at a time!
