**SCHOOL ATTENDANCE
MATTERS**

Attending school every day is so important to student success. Even missing just 2 days of school each month can result in students getting behind. Good attendance means working together! We are committed to partnering with you to make sure your child can be at school every day. Please contact me regarding any concerns for your student. We are looking forward to a great school year- Mr. Freiburger

INTERNET SAFETY TIPS & STATS FROM SCHOOL RESOURCE OFFICER BRANDON GUDENKAUF

Average daily screen time for children ages 8 to 12 is **five hours and 33 minutes**. 64% of these children reported watching online videos every day. If children are using the internet, they need to be supervised, and need parental controls activated on their devices.
