

MARSHALL MESSENGER

JANUARY 31ST

MISSION & VISION FOR SUCCESS

Mission

To provide a supportive and inclusive school community preparing inquisitive students to become lifelong learners, kind citizens and advocates for themselves and others in all environments.

Vision

To encourage all students to reach their full potential through diverse experiences and educational opportunities by:

- Building strong character through the values of being respectful, responsible, and safe
- Fostering curious minds
- Removing barriers
- Providing a healthy intellectual, social, emotional, and physical growth foundation for our students
- Encouraging perseverance through challenges with confidence and resilience
- Creating relationships to support a safe, empathetic, and inclusive learning environment

WINTER WEATHER REMINDER

Morning Line-Up

Each day we will have outdoor lineup and outdoor recess if the temperature is above zero degrees with the windchill factored in. Some people call this the "feels like" temperature. The office will check each morning before students arrive and before recesses begin in the late morning. Often, temperatures improve throughout the morning so that we can be outside later in the day, even if lineup was indoors in the morning.

Snowpants and Snow Boots

When snow is present on the ground, students must have boots and snow pants to play on the field and in snowy areas of the playground. This helps students to keep dry throughout the day.

Snow boots and snowpants are not required for children to play on the black top area of the

playground! Please contact the Marshall office if you need help securing these items for your child.

Snow Days and the Specialist Schedule

In the event of a snow day this winter, we will keep moving forward with our specialist schedule.

Weather Notifications

All Dubuque Community School District families are notified via text, email, and phone call when decisions are made about the delay or cancellation of school due to weather. The DCSD Facebook page (Marshall Facebook will share this information), as well as local news stations, their websites and radio coverage will also have this information available. Please make sure to notify the Marshall office of any new phone numbers or emails as we enter the winter season.

Feel free to contact the school office if you have any questions.
