6:00 PM Regional Spelling Bee at Clarke University

Friday, January 9

9:45 Late start for Professional Learning

Friday's Professional Learning

Our focus will be on the climate & culture of Sageville School. Staff and students will create positive relationships and we will do this through community meetings.

From the Desk of Miss Mac

Greetings Sageville families & friends,

Have you visited the Sageville web site lately? The Google calendar can keep you connected months ahead. The SNN (Sageville News Network) is a monthly update of all of the great happenings. There are parent links and wonderful photos. You can share our web site with family and friends out of town during the holiday season.

Mr. Dyer is looking for large appliance boxes for the 5th grade movie. Please contact him if you can help us out. Auditions started yesterday for "Space School!" The whole Gr. 5 team is excited.

Mr. Dyer just received word that his McElroy grant for \$1000.00 was awarded for the 5th grade movie. This science fiction movie is a trilogy, yes, I said trilogy, which will show what school might be like in the future. Stay tuned, you'll hear more to come in the upcoming months.

Congratulations to the following students who advanced to the regional spelling bee which will be held at Clarke University on Tuesday, January 6th:

1st Place-Loryn Link, Grade 4
2nd Place-Lydia Hefel, Grade 4
3rd Place-Kaitlyn Hammerand, Grade 5

Lawson and his grandpa enjoy making Christmas trees during Preschool's Polar Express Night

The "Grinch" was up to its usual tricks during all of the classes LRC classes this week with Mr. Dyer.

Mrs. Murray provided books for all students to give as gifts this holiday season. The 5th graders decorated the bags for wrappings.

All of the Sageville staff join me in wishing all of our students and their families a joyous and safe holiday season.

Miss Mac

Counselor Corner-Mrs. Kaiser

During the week of December 15th-19th I have been working with small groups. I have started several new groups this week. Currently, I have 4 different 2nd grade groups. The topics covered in second grade include good sportsmanship, respect, school achievement and effort. My third grade group worked on "if-then" statements, for every action there is a positive or negative consequence. My friendship group in first grade is working on which characteristics make up a good friend and what do

we look for in a friend. First grade's problem solving group will be finishing this week, we came up with several great strategies to utilize when we have a problem. When returning from winter break I will be in the classrooms focusing on self-regulation.

Don't forget: Join us tomorrow for the assembly at 10:40 p.m. Parents are always welcome to attend.

Tips for Parents: Our students have 2 weeks off for winter break, be sure to get some family time in and show them the true gift of giving.

See
you in
