in regards to student
work...making
progress

From the Desk of Miss Mac

Greetings Sageville families & friends,

Please fill out the **Preliminary Enrollment Survey** from last week to assist in our planning for the 2015-2016 school year and return to the school office. Thank you!

First Graders arriving tonight for the music program should report to their homerooms at 6:00 p.m. See you tonight!

Spring Pictures will be taken by Siebe Studio on **Tuesday, March 10th**. Purchasing these photos is optional. Information is in Thursday folders.

There will be no school newsletter next week due to conferences.

5th graders have started filming the new Sageville Cinema movie **SPACE SCHOOL!** **SPACE SCHOOL** is the first part in a trilogy that will be released 2015, 2016 and 2017 starring each 5th grade class that year. The story is about a school in the future where students learn and discover the galaxy, while battling the forces of evil at the same time. **SPACE SCHOOL** will premiere this spring at Sageville School and Mindframe Theater. Huge thanks to the Sageville PTC for their generosity in helping to supply costumes and props. Also a big thanks to Sageville parent Courtney Smith and Sageville grandparent Terry Licht for helping to purchase and construct green walls that will be used in the movie production's special effects. Watch our website for updates.

School Garden 101 is a five-week training course that helps school teachers, faculty, and community volunteers build a strong team for a successful school garden.

Each school or educational institution is encouraged to develop a team of three or more faculty to attend this ground-breaking program. Teams can expect to receive horticultural skills, continuing education credits, and lesson plans from Growing in the Garden. Throughout the workshop series, attendees work in school teams to develop their goals, timeline, garden plan, and budget. Upon completion, schools are shovel-ready to create or rebuild their schools garden.

ANY INTERESTED PARENTS OR SCHOOL STAFF SHOULD CONTACT MISS MAC. SAGEVILLE SCHOOL WILL PAY THE \$60 TEAM FEE! MISS PERRY HAS ALREADY SIGNED ON.

RESEARCH SHOWS THAT "THIRD, FOURTH, AND FIFTH GRADE STUDENTS THAT PARTICIPATED IN SCHOOL GARDENING ACTIVITIES SCORED SIGNIFICANTLY HIGHER ON SCIENCE ACHIEVEMENT TESTS COMPARED TO STUDENTS THAT DID NOT EXPERIENCE ANY GARDEN-BASED LEARNING ACTIVITIES."

DATE: TUESDAYS, MARCH 3RD- MARCH 31ST

PLACE: Dubuque County Extension

TIME: 4-6:30pm

COST: \$60 per team (at least 3)

Registration deadline is February 24th, 2015 so gather your team and [sign up](#) today!

Counselor Corner-Mrs. Kaiser

During the week of February 16th – 20th I have been working in my small groups. We have completed our first grade friendship group; each student received the work they've completed and were instructed to put it in a safe place in case they need it as a resource. In my second grade sportsmanship group they continued to complete a task as a group while displaying good sportsman-

ship. In both of my second grade "being respectful" groups they worked on respecting authority figures. Next week is conference week, I hope to see you all there!

Don't forget: Join us February 25, 9:50 a.m. for our celebration assembly! Your child may be nominated by their teacher for good character.

Tips for Parents: The rules for parents are but three... love, limit, and let them be.

**Sundown Mountain Resort
D.A.R.E. Ski/Board Night
