Sageville Elementary Newsletter

September 20, 2018

From the desk of Miss Mac:

We're looking forward to seeing our Sageville families **tonight** at **Open House**. Come anytime between 6:00-7:30 PM. We will have a **Challenge to Change** yoga instructor in the gym showing you some of the techniques and lessons they learn each month. To plan your time accordingly in the classrooms, the lessons will be at **6:15 PM and 6:45 PM**. Stop by all your child(ren)'s classrooms to check out all the great things they're doing! A treat will be served at the end of the evening in the gym for everyone from central kitchen...their famous rice krispie bars.

This week we had our first **PTC (Parent Teacher Club)** meeting. By proxy, all Sageville parents and staff are members and you are welcome to attend. They meet the 3rd Monday of the month at 7:00 PM in the staff lounge.

What has our PTC been up to already? They've already kicked off the **Sageville Discount Cards**. These are selling like hotcakes! There are already 640 out to our families. There are some left, so if you need more, just send a note to school addressed to PTC. You can sell these until **October 11th** when all cards left over or money is due. At last night's meeting, they approved over \$1000.00 for PE equipment. We're getting new scooters that are safer and accommodate all sizes. They also approved 10 new iPads which give us a 2:1 ratio of technology in each classroom. Also, their fundraising assists each grade level with field work outside of the classroom. Gr. 5 is going to Four Mounds at the end of the month for their annual teamwork building trip.

In today's Thursday folder you'll see the Mrs. Field's Cookie Dough order forms. These order forms are due back October 5th. There's been a dry spell of cookies in my home since this summer, so I am looking forward to my order..

Gr. 1 enjoys the Hulo Hoop game!

Friday Focus:

- There is no school this Friday. All certified staff will be attending district sessions on various topics. Classroom teachers are focusing on learning standards and science.

A Sageville tradition...Apple Day!

Sageville's PTC

The next scrip order is due next Friday. Our last order was about \$10,000 with over \$400 in profit. Our scrip profit funds technology and we just ordered 10 new iPads for classrooms!

Using an apple peeler is fun!

After school questions...

Asking "How was school today?" might not get you far. Instead, ask questions like these for a better picture of your child's day:

"What's the coolest thing that happened?" "What wasn't so cool?"

"Pretend you're the teacher." "How would you describe the day?"

"How were you kind or helpful today?" "Was anyone kind or helpful to you?"

"What was the most creative thing you did?"
