Sageville Elementary Newsletter

December 13, 2018

From the desk of Miss Mac:

This might be a good time to review the bus expectations with your children. Our bus drivers have a lot of responsibility in transporting our students safely. I've received several phone calls from Mr. Bolibaugh, our transportation director, in regards to inappropriate behavior on the bus such as students being very loud and changing seats. I know as parents you do not allow this to go on in your vehicle so please take some time to reinforce these expectations. We know it's only a matter of time when the weather will change and the roads will be icy. We don't want our bus drivers distracted and we want them to get to and from Sageville safely. Thank you in advance for your cooperation.

Be Safe 7 Bus Expectations

1. Sit facing forward, back to back – feet to floor @ all times
2. Do NOT distract the driver w/inappropriate behavior. Hands & feet to yourself.
3. Respect the attendant, driver and other students.
4. Do NOT bully or harass physically or verbally. Use kind words & inside voices.
5. NO eating/drinking on the bus & “leave no trace”.
6. No unauthorized photography/video use of phone.
7. Keep tech volume to yourself. Please use “earbuds”.

Friday Focus:

- We will be collaborating with the Hoover school teachers on the Iowa standards.

Grade 5 Sageville Band Students!

Officer Lech, Engineer Mr. Muilenburg and TH Photographer Ms. Reilly came to Sageville's Career Café for Grades 4 and 5th. Mrs. Boeve, our school counselor, has organized the speakers to give our students a glimpse into many careers.

Counselor Corner...Mrs. Boeve

Greetings! As a school counselor, my most important job is to help students succeed in school. I am in charge of looking out for your child's academic progress, personal/social development, and emotional well-being. Because of this, I believe communication between myself and families is vital.

If you have concerns about your child, you may contact me in whatever way is best for you! Since September, these are the "School Counselor Happenings" at Sageville:

- 48 Classroom Guidance lessons
- 3 small counseling groups: each group has met weekly anywhere from 3-8 times with new groups continuing to form
- 91% of students met with the counselor for Minute Meetings (K-2) or Student Surveys (3-5)
- Over 182 phone calls home to families
- Over 20 SeeSaw private messages to families
