SAGEVILLE

Sageville Elementary Newsletter

April 11, 2019

From the desk of Miss Mac:

Our students are taking many assessments in April. Grades 3-5 will be finishing up ISASP (Iowa Statewide Assessment of Student Progress) this week. Grades 3-5 will be taking the Iowa Conditions of Learning Survey the week of April 22nd. All K-5 students will be taking the reading FAST test on April 30th. And, in the second week of May, Grades 2-5 will take MAP in reading and math. The teachers use this data along with other data points like classroom assessments in making instructional decisions.

On Monday, April 22, 1:30 PM, we will have a Dubuque Arts Council all school assembly called FLY Dance. Parents, you are welcome to attend.

Counselor Corner...Mrs. Boeve

Greetings! In addition to our guidance topics of life changes, we've discussed changes in friendships in several classes. In friendships we know that there will always be conflict with others. Students discussed their actions and how to repair friendships. We also discussed how to talk out an argument from the book *How To Be A Friend* by Laurie Krasny Brown & Marc Brown:

Stop arguing
Calm down
Agree to talk it out
Everyone gets a turn to tell- not yell- their story without interruptions
Think up lots of ideas for solving the problem
Try to choose the best solution, the one everyone thinks will work
Decide how to carry out the plan
Do it!

And most importantly, remember arguments are allowed, meanness is not and In order to please everyone at least a little, you may not get what you want!
