Counselor Corner...Mrs. Boeve

Greetings! As we get closer to the end of our school year, I will be contacting families to follow up about working with their child. This conversation could include anything from referrals for outside counseling to food assistance programs that run through the summer to therapeutic support programs for children going through different life events such as grief, social skills, or special needs. If you or someone you know would be interested in these things or others, please contact me at aboeve@dbqschools.org or by calling (563) 552-4300. You can also find a complete and updated resource guide for Dubuque county on Dubuque Community School's website or by going to <https://www.dbqschools.org/district/community/family-resource-guide/>. This guide can also be picked up in print form in the Sageville School office.

Next Friday, **May 16th**, is our **last Scrip order** for the year! Thank you to all who participated and especially to Kelli Splinter and her volunteers!
