Sageville Elementary Newsletter

September 5, 2019

From the desk of Miss Mac:

Our new math program Bridges is in full swing. Teachers have started the Number Corners. We plan on highlighting our math program at **Open House on Thursday, September 26th, 6:15-7:45 PM.** I hope you have some time that evening to stop in.

Teachers have been already posting lots of things on Seesaw. There were 745 parent visits in one week! That is amazing. We are finding it an excellent tool for communication and an opportunity for you to share in your child's learning.

Scout Night is next Monday. I hope you get a chance to check it out!

First graders are trying to reach the sunflowers!

Calendar of Events

Monday-September 9

Opus

Sarah Brimeyer from Cub Scouts will talk to the kids at lunch.

6:30 PM Cub Scout Open House

Friday-September 13

9:40 Late Start

2:45 Sageville Storm Team Time

School Picture envelopes are in your child's Thursday folders. Please send it back to their homeroom teacher by Tuesday, September 17th for pictures!

Friday Focus for Professional Learning

Our first scrip order is due tomorrow. If you'd been a former scrip user, thank you! If you're a new one, check it out. Sageville made \$2300.00 last year. Also, Amazon Smile can benefit Sageville PTC Club!

Counselor Corner...Mrs. Boeve

"Greetings!

What a wonderful, thankfully cool, start to the school year! I have been making many family connection calls about resources in the area and following up to conversations about last year. If you have concerns about your child or questions about resources, please contact me at your convenience. Guidance lessons have begun in most classrooms this month and all grades have had a chance to check out the new counseling office located in the main hallway, two doors down from the nurse. Ask your child about Mrs. Boeve's color hands (green, yellow, red) on her door to see what students learned about confidentiality and privacy of using the new counseling space!"

Mrs. Kristina Herr, Grade 5 teacher and certified yoga instructor, will offer a Kids Yoga Club on A days during recess as an option for students. While the weather is nice they will do it by the butterfly garden. Students can bring a beach towel and keep it in their locker. When the weather changes it will be in her classroom. Thank you, Mrs. Herr, for this great recess option!
