Sageville Elementary Newsletter

December 19, 2019

From the desk of Miss Mac:

Parents of fourth and fifth graders should have received their child's IASAP report from last year. Please contact your child's teacher if you have any questions.

In January, the FAST Reading test will be administered with all K-5 students and K-1 will also take the FAST Math test. Grades 2-5 will also take the MAP reading and math test.

Congratulations to all of our fifth grade students who participated in the district orchestra and band concerts. Parents, your support of this program is appreciated!

Friday-January 3

9:40 Late arrival

The December birthday lunch will be held tomorrow, Friday, December 20th.

11:35 AM Grs. K-2 students

12:05 PM Grs. 3-5 students

A special adult can come eat lunch with your child if they have a December birthday or they are celebrating their "half" birthday.

Also, if you were unable to come the month of your child's birthday, you can come to any birthday lunch!

Teamwork at its best!
