Sageville Elementary Newsletter

January 16, 2020

From the desk of Miss Mac:

Next week as part of DCSD policy, Sageville School will conduct our second active intruder drill of the year. The most important part of this drill are the lessons and conversations that happen before the drill occurs. Please don't hesitate to contact me or your child's teacher.

Our winter assessments will be finished after FAST testing next Wednesday. This is a screener in reading for K-5 and additionally, K & 1 will be screened in math. These results as well as MAP will be shared with you at February conferences.

The window to schedule your February conference will open first-come, first-serve at 6:00 a.m. on Monday, January 27th. Conferences will be held 4:00-8:00 PM on February 19th and 7:30 AM-5:30 PM on Thursday, February 20th. There will be no school on February 20th and February 21st.

There will be many field trips coming up this spring. Please make sure your background check is up to date. You can call our school office if you are not sure or need another packet to fill out.

Cellphones and Apple/Smart watches are becoming problematic. Please be reminded that these stay in student lockers and that Sageville School is not responsible for loss or damage. You will be called by your child's teacher if this rule continues to be violated.

Students are allowed to have clear water bottles/containers at school. Students *should not* be bringing thermos canisters to school.

Aaron enjoys reading to self during station time!
