From the desk of Miss Mac:

A big benchmark was reached on Tuesday of this week, 100 days of school! Always a fun event for our little ones as they do many learning activities related to understanding the number "one hundred". It's always great to see the creativity of what they think of how someone might look at that age! Our PreK-5 students have grown a lot in 100 days of school, some by leaps and bounds. We're looking forward to sharing the various ways your child has grown at conferences on February 19th and 20th. Students have many more ways to grow in the 80 days left!

100 Days of school is celebrated big time in Kindergarten
