Sageville Elementary Newsletter

March 5, 2020

## From the desk of Miss Mac:

March, comes in like a lion, goes out like a lamb? While it's not guaranteed that March will come in harsh and be spring-like at the end, I can't help get excited for the weekend's upcoming weather and temperatures before spring break!

This spring we will be conducting our required district drills including bus evacuation, two tornado and two fire drills before the end of the school year. It was heartbreaking to hear of the tragedy from the tornados in Tennessee. While I don't like the disruption of these drills, planning ahead is important. That state-wide tornado drill usually comes at the end of March. Remember to discuss a safety plan at home for tornado and fire as well.

We still have openings in our afternoon Preschool class for the 2020-21 school year. Please contact the school office.

Please check out all of the musical events coming up this month and next on the next page! Family and friends are welcome.
