## Sageville's December Update:

While the 2020 school year continues to bring new challenges and opportunities for all, our Sageville staff is working their hardest for each student! Switching to virtual learning the first week of December will be an adjustment for all students, teachers and staff, and our families. What has become clear is the importance of communication between our families and staff. Please reach out with questions as we work through this week, and the rest of the year!

Thank you for your continued support of Sageville and our dedicated staff,

Erik Johnson

### Counselor's Corner

*Whether "doing school" on Hybrid home learning days or virtually, children need structure and basic needs to thrive and learn. Here are 4 tips for students' self care to engage in every day: the RISE and Shine method of Self Care:*

1. **ROUTINE**- breakfast (healthy), brush (teeth and hair), & bathe
2. **INTERACT** with someone in person or on the phone (not Zoom or video games)
3. **SLEEP** at least 8 to 10 hours each night for optimal development and good mood
4. **EXERCISE** and move your body
