## Sageville November Updates:

Thank you for the wonderful conversations through zoom, phone, or in-person during our conferences this fall! With conferences now done and the end of the first trimester quickly approaching, Sageville's staff and students are working hard to finish their classroom's assessments, so their best effort is reflected on each report card! Report cards are coming home the week of Thanksgiving — if you want a paper copy please call the office before November 20th at 563-552-4300.

Thank you for your support of Sageville and our dedicated staff,

Erik Johnson
