Sageville Elementary Monthly Newsletter

October 2020

Sageville October Updates:

As the first full month of school for the 2020 school year wraps up, it's great to be able to continue to see our students here in-person and virtually grow and develop their skills. For the first time in Sageville's history, entire grades of students have their own devices to bring back and forth to school. Our PreK, kindergartners, and first graders all have iPads for use at home and at school. Across the district, we are eagerly awaiting the new laptops for each student in second through fifth grade.

Parent-Teacher-Student conferences are coming up toward the end of October, on the 28th and 29th. The conference sign up will be on ParentSquare, just as Orientation was before school. Conferences will be 20 minutes long with 10 minutes passing time between each. Our bookfair will be online this fall, more details to come. If you have questions or concerns, please call the office or reach out to your student's teacher.

Two assessments the district uses each fall are FAST and MAP. Our teachers will have results from these tests available to discuss during conferences. As always, your student's progress in the classroom, both strengths and areas to grow, will be shared as well.

Thanks for partnering with Sageville,

Erik Johnson ejohnson@dbqschools.org **563-552-4300**

Nutrition and Food Services Reminder: While the meals continue to be covered by a government grant, milk costs .55 cents. Thanks!
