Sageville Elementary Monthly Newsletter

September 2020

Sageville September Updates:

Welcome back after a great first week of the 2020—2021 school year! It has been wonderful to see our students getting back into routines while at school and online. These are not the normal times we wish we were in, but I believe our teachers and staff have put procedures in place to help ensure our students and staff can stay healthy and safe. With all the changes, it has still been a fun start to the year for our students!

Part of a successful school year revolves around the parent and school communication plan. Our teachers have been very active on Seesaw. If you need help getting connected, please reach out — this is our number one communication tool! Becoming involved with the Sageville Parent-Teacher Committee or the Foundation for Dubuque Public Schools are great ways to stay connected to the needs of our school and district! Within the last week, we've received lanyards for each Sageville student and the Foundation purchased sunscreen for every elementary school!

Thanks for your patience and flexibility thus far,

Erik Johnson ejohnson@dbqschools.org 563-552-4300
