Book Fair/Coin Drive Recap!

Our Fall Book Fair was a huge success, thank you to all those that came out and made it that way. We had 308 students of our 372 student body at Table Mound redeem their gift of \$5 from the PTC for books during our fair! All for Books, our coin drive to support reading within our school, brought in a total of \$1066.73 that we were able to turn around and buy books from the fair before it left! These books went to the Library, Art, Music, and then there was still enough for us to purchase roughly \$35 in books from each teacher's wish bin from the fair! After all of that, our fair brought in a total sales of \$5,475.13 which will earn our school \$2,737.56 in Scholastic dollars. Once everything is all said and done, it was voted on and approved at the last PTC meeting that the balance, roughly \$4,800 will be given to the library to purchase new books! Thank you for everyone's help in supporting reading within our school and we look forward to the spring fair in February! If you are interested in helping out with this great program we are looking for a new chair (or even better chairs) going forward... please reach out to Kate Arling at oppertk@yahoo.com for more info!
