ISASP TESTING

Continuing this week, Table Mound students will be taking the ISASP standardized test (formerly ITP/ITBS). This test is given to students in 3rd-5th grade and covers the areas of reading, writing and math as well as science for 5th grade only. 3rd and 5th graders will be testing this week. 4th Grade students completed their testing last week. It will be important that students get a good night's sleep each night and eat a good breakfast. The test will be taken on the computer, much like MAP testing.
