at lauren.kahler@gmail.com or text at 515-708-9335 to make an appointment. If we reach 20 donors the school will receive a \$250 grant. See attached flyer for additional information.

Dessert Lottery

The PTC would like to thank all the parents who came through in providing desserts for our teachers and staff during Appreciation Week. It was greatly appreciated and is one of our favorite events at Table Mound. Thank you for your generosity and showing our staff how much they mean to us as parents and kids!

Cereal Boxes!

Would you like to help people in our community with food insecurities? Do you have any unopened boxes of cereal? During the month of May, the fifth-grade students at Table Mound, are asking ALL Table Mound Knights to donate full boxes of cereal. We will be creating and recording a cereal box domino chain in the hallways of our building, to celebrate the end of our school year. The boxes will be donated to the Table Mound Food Pantry and River Bend Food Bank to help combat hunger in our local community. The more boxes, the more fun! Thank you to anyone that donates,

PTC 2022-23 Elections

Hello! It is time for 2022-2023 PTC elections! All positions are open! Each position can be held by an individual or a group! Was there an activity you thought was fun and would like to be in charge of next year? Or do you have an idea of something great to do for our Table Mound students and teachers? email ptctablemound@gmail.com if you want to volunteer or if you have any questions. Think about volunteering for one of these fun positions!

Classrooms for Next Year

One of the biggest tasks at the end of the year is working on which classroom students will be in for the new year. Classroom teachers will meet and create the lists for next year along with my input. Sometimes there are concerns about certain students being in the same class together. For example, cousins that should not be in the same classroom.

Please let me know via email, mhull@dbqschools.org, if you have concerns.

"The mission of Table Mound Elementary School is to develop responsible, motivated, global citizens who meet the challenges of the future and rise to their greatest potential as life-long learners."
