NOTES FROM MR. JOHLL

Dear Roosevelt Families,

Happy November! I hope that this newsletter finds you and your family doing well, enjoying the beautiful seasonal fall weather.

TRIMESTER 2 | It's hard to believe that in a few days we will begin the second trimester of the 2022-2023 school year. The first day is Thursday, November 17. Because your child(ren) will have a new specialist class (Art, Health, or Gen. Music), it would be great if you could review their schedule with them on Infinite Campus.

PBIS | Have you heard your child(ren) use the acronym PBIS? If you are new to Roosevelt this year, you may be wondering what that means. PBIS stands for Positive Behavior Intervention and Supports. It's an organizational structure that we have implemented with our staff and students that allows us to create a positive learning community. It's not a curriculum, nor is it a lock-step program, but instead it's a structured approach for positively interacting and working with our students. The emphasis of PBIS is built on a school-wide philosophy that our staff will teach, model, and reinforce the positive student behaviors needed to be successful in learning.

My guess is that you might have overheard talk about some of the monthly PBIS activities that we offer to promote and encourage a positive culture at Roosevelt, or maybe you've heard about the three guiding principles for our program. Here at Roosevelt, we strive to promote a culture where students can demonstrate that they are Ready to learn, Responsible for what they do, and Respectful in their actions. These three guiding principles are known as the "3 R's" of our PBIS program. Students who demonstrate the "3 R's" are recognized by our staff members with a Raptor Recognition Ticket. These tickets are not a reward, but instead a recognition shown to the student for their appropriate display of behavior or for following the expectations of the school. Students can then use these tickets for the monthly PBIS events, or other special activities provided by the school or their house teachers. In September we had a "Lunch on the Lawn" day for our students, and in October the PBIS team sponsored a costume day.

We continue to use the PBIS approach with our students because it works! PBIS is led here at Roosevelt by a staff leadership team, which in turn is led by two staff coaches, Ms. Schuster-Davis and Ms. Allison. I want to publicly thank both of them and our team for their leadership of this work. It is also important to note that this is a school initiative that our PTO continues to support each year, and I want to publicly say thank you for their help with our events and activities.

BULLYING, HARASSMENT, AND DISCRIMINATION ARE NOT ALLOWED |

With this newsletter I want to share information about an electronic reporting option that anyone may use to report a concern. This district form, along with an informational video, can be found on the district website with this link:

<https://www.dbqschools.org/parents/say-something/>

The online form is available to all students, staff, parents, and community members to use, and it can be submitted anonymously. If a concern is shared electronically, it will be routed directly to me as the school principal. Please know that this form is provided by the district as an additional option to share a report, but we also encourage everyone to also let us know directly at school of any bullying, harassment, or discrimination. We are committed to creating a safe learning environment for all students.

FALL FUNDRAISER | I want to share my sincere appreciation to all students and parents, along with the Roosevelt PTO, for another successful fall fundraiser. On Friday, February 24th, we will celebrate with the students who qualified for the field trip to the Kalahari Waterpark and Amusement Park in Wisconsin Dells! Our distribution of fundraiser products, including frozen food, will be on Tuesday, December 6, from 2:30 p.m. to 5:30 p.m. in the gymnasium. More information will be coming from the school soon via Parent Square. The money raised from the fundraiser, with the support and advice of the PTO, will be used to support our students in their learning experience here at Roosevelt.

ERMS FACEBOOK | If you have not done so already, please consider following the Roosevelt Facebook page. We share pictures of learning, activities, athletics and much more, along with other important information. Many of our PBIS activities are featured on our Facebook page.

ERMS ATTENDANCE PROCEDURE

If your child(ren) will be out for an extended period of time for a non-illness reason such as a family trip, we ask that you please provide notification to the office a minimum of one week in advance of the first day of absence. There are three options for communicating this with the main office:

1. **You can send a note with your child, OR**
2. **you can call the attendance line at 563-552-5012, OR**
3. **you can send an email to ermsattendance@dbqschools.org**

Please include the student name, the dates of the absence and the reason. The student will then receive a letter from the Main Office to be reviewed by each of their teachers so that they are informed of the dates.

Best procedure for your convenience: ERMS Attendance procedure for picking up your student for an appointment during school hours.

- Send a note with your student in the morning.
- The note should include: Student's name, pick-up time, reason for leaving early, and parent's signature.
- The student should bring that note to the main office first thing in the morning. He or she will be given a pass out of class in exchange for the note.
- Then your student will meet you at the east door by the flag pole. And he or she can come out when you pull up to the curb.

COUNSELOR'S CORNER

Submitted by: Mrs. Elliott (6th), Mrs. Kaiser (7th) and Mrs. Glennon (8th)

It's hard to believe that we are almost at the end of 1st trimester!

Second trimester begins on, November 17th. Please review grades in Infinite Campus and Canvas and connect with teachers if your student needs improvement. ERMS does offer homework help on Tuesday's and Thursday's until 3:30p.m. Homework help is supervised by a teacher and is a quiet space for students to complete missing work. If you would like to enroll your student in homework help, please contact your student's counselor. Space is limited!!!

For 7 mindsets this month we will continue to focus on, passion first.

The Passion First Mindset teaches students that they are all unique expressions of human existence. It's vital to find out what our individual strengths and talents are so that we might connect them with our goals and visions for the future. In this mindset, we work with students to understand their unique gifts, their skills and strengths, and how to share them with the world to the maximum extent possible. Not only will they explore their interests, they will begin to identify their core values and what they stand for. The next step is helping them learn how to make their dreams into reality, tapping into both the courage and perseverance needed to overcome any challenges they encounter in pursuit of the lives they desire. - 7 Mindsets Curriculum

ERMS students will also have an extra raptor lesson on, school threats. This lesson was created by the DCSD staff and all DCSD students will receive the same message.

FROM THE ACTIVITIES OFFICE

Submitted by: Mark Lawler, Assistant Principal / Activities Director

We are in full swing for Wrestling and Girls' Basketball. In December we will have 7th and 8th graders sign up for Dance or Boys' Basketball. If there are students who need physicals to be done before then, please make arrangements now so they are ready to go when practice begins right after winter break.

After school LEAP activities are also just beginning for students in all grades. When new activities are available, I will send an e-mail to students with a link to sign up. It will have information about dates, location, and the activity title and description. All activities are 2:30 – 4:00 p.m., and students should be picked up at the main entrance at 4:00 p.m. In addition to student e-mails, the activity information will also be available in the daily announcements (available on the school website on the megaphone icon) as well as the LEAP link on the school website in the Parents tab. Students should not sign up for an activity until they have confirmed with their parents/guardians that it will work.

As always, if you have any questions about activities, please call the Activities Office at 563-552-5010 or e-mail tamico@dbqschools.org.

MUSIC NOTES

Submitted by: Natalie Delcorps, Orchestra Director

Congratulations to **Ruah Kim** from house 7-1! Ruah has been selected to perform at the Iowa Junior Honors Orchestra Festival on November 18th, 2022 in Ames, Iowa! She plays viola in the 7th and 8th grade orchestra, chamber orchestra and is a member of the chamber quintet.

Iowa Junior Honors Orchestra Festival began in 1992 to give younger students an all-state level experience. The Festival is sponsored by the Iowa String Teacher's Association.

It is a one-day event, held in the same complex and at the same time as the Iowa All-State Music Festival and the Iowa Music Educators Association state convention. There are two orchestras of equal ability in the festival, each with about 90 participants.

The groups are composed mainly of 8th and 9th graders, with a few advanced 7th graders.
