OUR COMMUNITY PARTNERS

NOTES FROM MR. JOHLL

Dear Roosevelt Families,

As we approach the start of the second half of the school year, I hope that this newsletter finds you and your family doing well. Happy January!

I am often asked by parents, “What can I be doing at home to help my child?” My honest answer is always this—you can best support your child by having regular conversations with them about their school experience. The conversation can happen at any time and any location, but sometimes the best place for that to happen is over dinner, or anywhere over a meal that you are sharing together. Your child may not seem interested in talking, but I have found that most students really do want to share their experiences. With the right question(s), I assure you your child will share! The conversations you have can be about anything. It can be about new learning, about an activity he or she is involved in, about lunch, or about new friends being made here at school. In whatever your child shares, always be sure to validate what is being said and how he or she feels. Each day we are thankful as a staff for being able to help in the education of your child, yet we know that parents and guardians are the most important educator. Your discussions at home with your child are important in ensuring success here at school. Please do not hesitate to call or email our teachers, counselors, or any of the support staff here in the office for assistance. We are here to help!

MARTIN LUTHER KING JR TRIBUTE | Congratulations to three of our sixth grade Raptor students in House 6-3 who were recently honored for their entries in the Dr. Martin Luther King Jr. Tribute. This is a citywide event which includes both public and private school students. The purpose of the tribute is to remind students of the work (and many accomplishments of) Martin Luther King Jr., and to help students realize that each person can make a positive difference in their world. Those recognized from our school this year were:

Honorees: Charlee Parr and Sawyer Bartlett
Honorable Mention: Alex Calonder

Since 1990, the local branch of the NAACP has recognized students for their excellence in this tribute. To be recognized is a great honor. Thank you to all the students that participated this year!

MORNING DROP OFF | Here are a few reminders for parents and guardians who drive their child(ren) to school.

ARRIVAL TIME: Our opening bell for the school day is 7:30 a.m., Monday through Thursday, and 8:30 a.m. on Friday. Please drop off students as close to that time as possible. The front doors open for breakfast at 7:20 a.m. We start student announcements, Raptor Time and our attendance procedures at 7:36 a.m., Monday through Thursday, and at 8:36 a.m., on Friday.

FIVE CARS AT A TIME: Thank you for helping us be efficient with morning drop-off by having students from FIVE cars de-board all at the same time. We unload two cars on one side of the crossing area, and another three on the back side. This greatly helps with the flow of traffic in the front parking lot. I have noticed that the time to drop off all the students has been reduced by as much as 5 minutes by doing this in the morning.

CIRCLE DROP-OFF BY CARVER: Cars from points west of Roosevelt in Asbury are encouraged to use the Carver School Drop-Off Circle by approaching the school from Carver Drive. This helps speed up the drop off time for everyone.

PTO | I want to close my letter with a huge thank you to our Parent Teacher Organization (PTO) for being so supportive of the efforts of our staff and students. If you are interested, we invite you to join us for our next meeting on February 7th at 6:30 p.m. in the library. We welcome new members to our meetings. Our PTO parents have been instrumental in supporting our students and staff. We are very thankful for their efforts. They have shown this support through our 'Welcome Back to School Night' in August, providing special dinners to teachers during Parent-Teacher Conferences, publishing this newsletter you are reading, coordinating our spirit apparel sales, sponsoring the fall fundraiser, purchasing items such as our water refill stations in each house, and hosting our school dances for our students! This PTO continues to be an integral part of the success of our school! We would love to have you join us at the next meeting.

Have a wonderful January!

Sincerely,

Mr. Johll - Principal

RAPTOR RAVES: JANUARY

House 6-1 has chosen **Riley Cook** for our January Raptor Rave. Riley is our Raptor Rave because he practices the 3 R's every day. He works hard every day to complete his work. If he is struggling with anything, he will ask questions and work until he has mastered the task at hand. He is willing to help other students when needed and is always grateful and polite. He is a great friend and role model for his peers. We are so happy he is part of 6-1.

House 6-2 names **Lily McFadden** as this month's Raptor Rave. Lily is a motivated student who shows up each day and always puts forth her best efforts. She helps create and support a kind and engaging classroom learning community. She promotes inclusivity when working with others and can be a leader when called upon. She is curious which is a skill she utilizes often in First Lego League as a member of the competition team Raptricity. Congratulations Lily!

House 6-3 recognizes **Thomas Harkness** as our January Raptor Rave. He is a quiet leader for his peers in following the 3 R's. He comes to school ready to learn daily. Thomas is kind, polite, friendly and respectful towards peers and staff. As a responsible learner, Thomas always asks for help when he needs it and is willing to lend a hand to a peer that needs help. House 6-3 is very lucky to have such a great student. Way to go Thomas!

House 7-1 is pleased to announce **Alexandra Firzlaff** as our January Raptor Rave! Allie is a positive role model in the house and is always exhibiting Roosevelt's 3 R's by being ready to learn, prepared, considerate, reliable and competent. Allie has worked really hard this year and is a very conscientious student, always turning in her best work. She is a friendly face to all, peers and adults, and definitely understands the value of kindness. Thank you, Allie, for being a great example of a kindhearted, mature, and diligent student. Your teachers applaud you!!!

House 7-2 proudly selects **Serenity Mills** as this month's Raptor Rave. We chose to recognize Serenity for the ways she demonstrates Roosevelt's 3 R's daily. Serenity is respectful to both peers and adults, and is always willing to help wherever needed, whether through class participation, helping with classroom tasks, or volunteering to help others with work. She shows responsibility by staying focused in class, completing work, and checking her work with teachers before submitting. Serenity is ready to learn new things, and asks questions about her learning to help her succeed. Great job, Serenity!

House 7-3 has chosen **August Pins** as our Raptor Rave this month. Gus demonstrates all the qualities that we like to see in a Roosevelt Raptor. He is a responsible student who completes his assignments on time and with effort. He is always willing to work hard to be successful. He is respectful to teachers and classmates, and always willing to help out when needed. Gus is always ready for the school day. He comes to school prepared for class with his supplies and completed assignments. Gus has proven himself to be a strong student. He pays attention in class and follows class instructions carefully. We can see that Gus cares about his schoolwork and his education. We are so proud of Gus for his success in 7th grade this year!

RAPTOR RAVES: JANUARY

House 8-1 is proud to announce **Kaylee Carley** as our January Raptor Rave. She is a great role model for all her classmates. She is kind and considerate to everyone. Kaylee is so accepting of others and welcomes everyone in her circle. She has empathy for others and is a determined worker. She cares about the quality of her work and always puts forth her best effort. She has a passion for learning about the world and is understanding of others' differences. Kaylee always has exquisite manners and makes sure that she enters each class with a beautiful smile on her face! We are so lucky to have Kaylee as part of the 8-1 family!

House 8-2 has named **Jaylen Hodgson** as January's Raptor Rave. Jaylen consistently demonstrates Roosevelt's 3 R's in all he does. He gives his best effort in his work and is sure to meet deadlines. Jaylen is kind to both peers and adults, and is inclusive to classmates. Jaylen also shows responsibility through extracurricular activities by being involved in basketball. Way to go, Jaylen!

House 8-3 is extremely pleased to recognize **Sophia Chen** as this month's Raptor Rave. Sophia is a delightful young lady who is always very polite. Quiet and respectful, she gives 100% effort in everything she does. She is a calming presence in the 8th grade classroom and is very focused on what she needs to do. Sophia, we teachers are happy to publicly recognize how hard you work and your attentive and gentle demeanor. We appreciate you and are so thankful that you are part of the 8-3 family! Thanks for being you!

ERMS ATTENDANCE PROCEDURE

If your child(ren) will be out for an extended period of time for a non-illness reason such as a family trip, we ask that you please provide notification to the office a minimum of one week in advance of the first day of absence. There are three options for communicating this with the main office:

1. **You can send a note with your child, OR**
2. **You can call the attendance line at 563-552-5012, OR**
3. **You can send an email to ermsattendance@dbqschools.org**

Please include the student name, the dates of the absence and the reason. The student will then receive a letter from the Main Office to be reviewed by each of their teachers so that they are informed of the dates.

Best procedure for your convenience: ERMS Attendance procedure for picking up your student for an appointment during school hours.

- Send a note with your student in the morning.
- The note should include: student's name, pick-up time, reason for leaving early, and parent's signature.
- The student should bring that note to the main office first thing in the morning. He or she will be given a pass out of class in exchange for the note.
- Then your student will meet you at the east door by the flag pole. And he or she can come out when you pull up to the curb.

Option 2: If you know in advance that your child will miss school you can send

When picking up your student, you will need to enter the building through the door by the flag pole. Then check in with the secretary at the window. **Please notify us as early in the day as possible so that we can better serve you.**

NURSES NOTES

FLU REMINDER: Influenza is in the community and the schools. Please protect yourselves and our children by getting a flu shot, practicing good hand washing, and staying home when you are sick. The symptoms of influenza (flu) appear suddenly and often include:

- Fever of 100.4 F or greater.
- Body aches and muscle pain (often severe), commonly in the back, arms, or legs.
- Headache.
- Fatigue, a general feeling of sickness (malaise), and loss of appetite.
- A dry cough, runny nose, and dry or sore throat.

If your child is ill, PLEASE keep them home to avoid passing the illness to their class. DCSD requires a student to be free of fever (without Tylenol or Ibuprofen), vomiting or diarrhea for 24 hours before returning to school.

If your child begins to feel ill at school, please remind them to visit the nurse. Any student who contacts home for pick up without seeing the nurse will get an unexcused absence. Thanks!

REMINDERS: Students with a temperature of 100.4 F or higher should stay home until fever free for 24 hours without any fever-reducing medication.

Students with ANY high-risk COVID-19 symptom or TWO OR MORE low-risk COVID-19 symptoms should also stay home.

- High risk:** New cough, shortness of breath or difficulty breathing, new loss of taste or smell.
- Low risk:** Fever or chills, headache, muscle or body aches, fatigue, sore throat, congestion or runny nose, nausea or vomiting, diarrhea.

Students who are symptomatic and waiting on COVID-19 test results SHOULD NOT come to school until they receive the results of the test.

COUNSELOR'S CORNER

Submitted by: Mrs. Elliott (6th), Mrs. Kaiser (7th) and Mrs. Glennon (8th)

This month for 7 Mindsets the focus will be on ~ 100% accountable.

The 100% Accountable Mindset teaches the importance of being responsible for our own happiness and success. Being 100% Accountable means deciding not to be victims of the past and recognizing that the future is not predetermined, so our lives are what we choose in the present moment and each moment moving forward. In these lessons, we help students focus on recognizing our fears and excuses. This mindset is about the importance of breaking down barriers and taking responsibility for our thoughts and actions. It also allows us to free our minds and focus our energy on taking the critical steps toward our goals.

Exciting times ahead for 8th graders! Roosevelt Counselors will be in their Exploratory class on January 25th helping them understand how you earn credits in High School and how they will register!

January 30th will be an Open House at each Dubuque Community High School. Please save the date to attend that evening!

February 8th, Counselors from the High Schools will be in Exploratory class to meet with each 8th grader and will help them register their classes for 9th grade.

During all of this, they will be working on their 4-year plan in Exploratory class. This is just a plan, but the State of Iowa requires that parents mark that they have seen the plan. You will receive more details on this soon.

As students are working on their 9th grade classes and their 4-year plan, they will be using the Course guide to assist them. This can be found online at the following:

High School Course Guides—Dubuque Community Schools (dbqschools.org) >

Hard to believe the second half of the year has begun!

FROM THE ACTIVITIES OFFICE

Submitted by: Mark Lawler, Assistant Principal/Activities Director

ATHLETICS | The Dance/Cheer team and Boys Basketball are both underway for 7th and 8th graders and the kids seem to be having fun. As is the case with many situations and people in the world, we will continue our focus on sportsmanship. Basketball players will be given a schedule once coaches divide them into teams.

FAME | FAME is hosting audition workshops, auditions, and call backs this month for the musical, *The Music Man*. Students who are interested should read more information on the FAME bulletin board, and everyone can see information on the school website under the Activities tab.

LEAP | I will continue to e-mail links to sign up for after school LEAP activities that go from 2:30–4:00 p.m.

As always, if you have questions about activities, please contact us in the Activities Office at 563-552-5010 or tamico@dbqschools.org.

BOOK FAIR: MARK YOUR CALENDAR

Submitted by: Anne Williams

The Roosevelt Library will host a Scholastic Book Fair February 1st–10th. Proceeds from the book fair go directly toward purchasing books and supplies for the library. Students can make purchases at the fair when they visit the library with their language arts classes. You can also shop our online store beginning February 1st.

 Parents and guardians can also take advantage of Scholastic's e-Wallet program. **Check out our online Book Fair page to learn more >**

Thank you for supporting the library!

FIRST TECH CHALLENGE

Submitted by: Melissa Sendt, 7-2 Science Teacher, FIRST Robotics Coach and FAME Mentor and Sally Haug, Paraprofessional, Special Programs

As you may have heard, there are two First Tech Challenge (FTC) teams at Roosevelt. We have been working very hard, and we'd like to share some of our accomplishments with you.

Let's take a step back and look at what FTC is. FTC is an engineering program that encourages students to build, code, and operate their own robots to compete in league meets. This program builds STEM skills, along with other skills such as marketing, business management, and communication. The two teams at Roosevelt are the Robo Raptors and the Royal Robots. There are twelve members on each team, each with their own different role and skills.

One of the most obvious things is that we've accomplished is building a robot from completely nothing. There were no guides or instructions. We planned, tested, built, re-tested, and re-created a fully functional robot from only our blood, sweat, tears and duct tape! Don't forget superglue! We have taken these robots to several competitions where we've driven them in matches against many other schools, including middle and high schools.

Getting ready for our first meet. Check out the big smiles on their faces!

Another fact of the team that worked very hard to market the team brand, collaborate with mentors, and participate in outreach with the community. We created tri-folds, posters, t-shirts, pins, pens, business cards, stickers, and decorations for the meets. Fundraising was essential for having enough funds to purchase materials needed for our teams. Several members also managed our social media accounts, such as Instagram. Our teams even have a YouTube channel where we post vlogs!

We hosted a meet on 12/17/2022 at our school. Practicing our core value of having fun together!

The next big step for our teams is the League Tournament coming on January 14th. This is the meet that decides whether we can go onto the Super Qualifier and then the Iowa Championship. We hope that everyone at the school will show their support for these extremely hard-working students. One of the best ways you can do that is to follow the teams on Instagram!
