

“Wahawk Warrior Dash”

The “**Wahawk Warrior Dash**” is similar to the popular running obstacle course called the “**Warrior Dash.**” Throughout this experience, students at George Washington Middle School will have to overcome a one-mile obstacle course that includes 10-12 obstacles standing in their way. Our overall goal is for *students* to have **fun being active**, encourage teamwork, and *raise money for the Renaissance Program* here at GWMS. All proceeds will support the Renaissance Program. *The GWMS Renaissance Program is a way to recognize our student body for their excellence, learning, respect, caring, and community.*

This event will be held on Friday, May 3, 2024 in the afternoon on the football field located behind our school, off Lombard Street. The event will be supervised by GWMS staff and adult volunteers.

All students have the option to participate in the event. Students need to wear appropriate athletic wear to school that day. **Items will get dirty and may be ruined.** Students must bring a full change of clothing including undergarments, shoes, and socks for after the event.

Students participating may have their photo taken and/or be videotaped for media purposes.

Students not participating will be expected to remain at school with other planned activities which may include cheering on students.

I understand by signing the attached sheet, that I am giving consent for my child to participate in the “**Wahawk Warrior Dash**”. **The Dubuque Community School District employees and any other volunteer** cannot be held liable for injury or other circumstances that may occur due to participation in this event.

“Challenges make you discover things about yourself that you never really knew.” Cicely Tison
