## MESSAGE FROM THE PRINCIPAL

Bryant Families-

December is upon us and with that could come some snowy/cold weather. To make sure families are on the same page, the following are things that happen with weather related issues on a **2-hour delay**:

- Supervision starts at 9:55am
- There is NO breakfast
- There is NO option to arrive early unless you have Y-Care (Y-care is open at it's usual time). So, please do not have students arrive before 9:55am.
- Choir will take place (Thursday's only) starting at 9:30am.
- There is NO morning preschool.

If we have a **2-hour early dismissal** because of weather related issues, the following will take place:

- NO afternoon preschool.
- Lunch is still served.
- We will dismiss at 1:00pm.
- All after school activities are cancelled. (Band, orchestra, leisure-services)
- Y-Care is still provided at their usual time.

IASP (Iowa Statewide Assessment of Student Progress), for families of students in 4th and 5th grade currently, results are in and the district is getting ready to email those out to families.

These are results from the ISASP test from last spring. Once we know they will be emailed out, I will also send some information regarding how to read the results. Great news- our scores look fantastic! I look forward to the continued growth at Bryant.

# DUBUQUE REGIONAL HUMANE SOCIETY DRIVE

Sponsored by the Fourth Graders

November 25-December 5

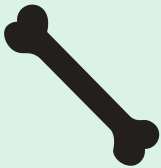

The Dubuque Regional Humane Society (DRHS) feeds all of its shelter pets Science Diet courtesy of Hill's Food Shelter & Love program and Theisen's, so they do not need donations of dry food.

However, food is only one of the many supplies we need to care for the 2,500+ animals that come through their door every year! If you would like to purchase a gift to the DRHS, please consider one or more of the following:
