All apparel has been delivered and we received a \$560 profit. For the Spring Apparel Order Tara is working with Envision for apparel with a special design just for Carver School.

SchoolKitz

SchoolKitz is something that Beth Blanchard took care of and her youngest is leaving Carver next year. A form goes home each year and parents are able to order school supplies from the SchoolKitz company and have them delivered to the school on orientation day. There are other companies that we could go through and check into other options. It doesn't take a lot of work on our part. This year 42 kits were sold with \$155 profit. Stephanie Wolter volunteered to take over this project.

Carver Newsletter

Should have went home Thursday, October 3rd and should be sent out once per month. Mr. Peterson was going to look into why the newsletter didn't go out. In the past we attached a link with the minutes to the PTG minutes. Laura will begin emailing Kelly at kroen@dbqschools.org to get the minutes attached in the newsletter.

Cougar Crawl

This is our main fundraiser with 100% of the profits going back to the school. The more money raised increases each student's chance to win the prizes. The Cougar Crawl will take place on Friday, October 25th to celebrate all of the students and their fundraising efforts. Hoping for a successful event. If the event is successful we will look into online sale options for next year. The schedule for the day will consist of 3 stations which are an inflatable obstacle course, dance party and the Cougar Crawl walk outside. We will do this during specialist time and then add 15 minutes for each grade. 4th grade & 1st grade will work in Pre-K classes during their time slots. Hoping to be able to use outdoors for bounce houses and crawl. PTG volunteers will cover one station with the other two stations to be covered by Carver teachers/staff. If students are returning an

envelope they will receive a key chain and all students will receive a special prize the day of the Cougar Crawl.
