More details to come!

Tuesday, March 29th  
5:00 PM to 7:00 PM  
15th Anniversary of Carver Elementary School  
more information to come

Greetings Carver Families--

Whether you attended in-person, virtually on Microsoft Teams, or by phone, we appreciate the participation of our Carver families in Parent/Teacher Conferences. At Carver Elementary, 97% of our students were represented, and we are very grateful for that partnership. In case you are interested, 57% of our conferences were held virtually or by phone, and 43% of our conferences were held in-person.

One message I have been continuing to echo is the importance of on-time, and daily school attendance when it safe and possible to do so. That message remains the same this month. It truly is critical that students attend regularly to receive the full benefit of their instructional programming. This doesn't mean that students don't get sick or take occasional trips, vacations, etc. It really means that we need to keep an eye on the overall impact of those absences by looking at how often they are occurring and how much time is missed. Please continue to reach out if you have questions moving forward on attendance.

Please save this date for the time being -*Tuesday, March 29th from 5:00 PM to 7:00 PM*. You may remember that this year is the *15th Anniversary of Carver Elementary School*, and we are hoping to celebrate and commemorate this milestone on that date. As you might imagine, planning has been difficult this year due to Covid-19. We will continue to keep you informed about our plans for that evening as we get closer to the date.

On Monday, February 28th, our Carver students completed their 3rd Fire Evacuation Practice and 3rd Tornado Shelter Practice. We also completed our Intruder Practice in the month of January. We'll have an additional series of Fire and Tornado practices yet this spring. Our students have done a great job practicing and being prepared for all of these situations.

I am very proud of the progress that our students and teachers have made through the first 2/3 of the year. Our achievement data is bright and I'm excited about the possibilities of the spring assessment season that will kick off in April with 3rd - 5th grade ISASP testing. We will also complete 2nd - 5th MAP testing, 2nd CoGat testing and K - 5th FAST testing through the end of April and the beginning of May. It is extremely important that we continue to provide great instruction and intervention every day and that students are here to receive it. This is the way that can have the most positive impact on this data.

Thank you for all that you continue to do to support our students and teachers here at Carver! It is greatly appreciated!

Thank you!

Andy Peterson  
Principal

# PARENT TEACHER NEWS
