Hoover School News

A Note from Mrs. Haas: Parent-Teacher Conferences are just around the corner! I know that each of you and your families are very busy, but I do want to stress to you the importance of attending conferences. Conferences are an opportunity for students, parents and teachers to discuss each child’s individual progress, celebrate individual achievements and identify areas for continued improvement. Conferences provide the opportunity for a personalized, face-to-face conversation that helps build success for each student and relationships between families and school. We enjoy collaborating with you in your child’s education and we look forward to meeting with each of you, and your child(ren) in a few weeks! ~Mrs. Haas

Health Alert: With the recent increase in illnesses within the district, the Dubuque Community School District will begin enforcement of health policy requiring students to remain out of school until free from fever (greater than or equal to 100.4F), diarrhea or vomiting without the use of medications for 24 hours to help reduce the spread of illness. In addition, we will be reminding students of the importance of good handwashing.

Open Enrollment Applications: This year, just as last year, all open enrollment applications will be submitted online. This will be a smart phone friendly application, and families without computer access may use a computer at school to complete the application if needed. You can find a link to the open enrollment forms on the district website. **Secondary applications for grades 6-12 are currently being accepted through 4 pm on Monday, March 2 2020. Applications for elementary open enrollment will be available starting Monday, March 16, 2020.**
